Pre-Existing Ailments & Conditions

Under the rules of Westfund, new applicants, those transferring from another fund and those upgrading their level of cover are subject to the pre-existing ailments and conditions rule.

A pre-existing ailment or condition is one that presents signs or symptoms which are considered to be in existence at any time during the 6 months preceding the day on which the member joins Westfund or upgrades level of Westfund cover. This may also include signs and symptoms not previously diagnosed by a medical officer.

A 12 month waiting period applies (or balance if a waiting period is already being served) to pre-existing ailments/conditions.
