Hospital Cover

Westfund has contracts with numerous **private hospitals** throughout Australia covering theatre fees and hospital accommodation costs for most procedures. Hospital policies do not provide cover for treatment for which Medicare pays no benefit e.g. Non-Therapeutic Cosmetic Surgery, or if disallowed by the Private Health Insurance Act 2007.

Where no contract exists with a private hospital, benefits are payable at a default rate determined by the Government. In these cases, out-of-pocket expenses may be incurred.

We recommend that members check with us prior to admission to hospital to ensure they are covered. Hospitals which have contracts with Westfund are listed at: www.westfund.com.au/health-services/find-a-hospital Further details can also be obtained by calling us on **1300 937 838**.

As a private patient in a **public hospital**, you will receive cover for accommodation and your choice of doctor from doctors with a right to practice at that hospital.

Westfund will pay benefits for surgically implanted prostheses up to the approved benefits in the Government's Protheses List and in accordance with the requirements of the Act.

- ✓ **Covered** Westfund will pay benefits towards your admission for hospital treatment that forms part of an admitted episode of care. This may include hospital accommodation, theatre fees and prosthetic costs.
- R **Restricted** Services which Westfund covers to a limited extent and pays reduced benefits on admissions for hospital treatment that forms part of an admitted episode of care. The benefit is not sufficient to cover the cost of a private room in a public hospital or any room in a private hospital. If you are admitted to a private hospital for services that are restricted, large out-of-pocket expenses will apply.
- X **Excluded** Westfund will not pay benefits towards hospital or medical costs for these services. If you choose to proceed as a private patient for an excluded service, you will have very large out-of-pocket expenses.

Medical Cover

Westfund pays benefits for the fees charged by your specialist while you are in hospital. Common and support services such as anaesthetic, consultations, pathology and radiology that are in relation to your hospital admission are also eligible for benefits. Benefits are only eligible where a Commonwealth Medical Benefits Schedule (CMBS) item number is used and a Medicare benefit is payable. Medicare pays 75% of the CMBS fee and Westfund pays the additional 25% up to the CMBS fee. Where the fees charged exceed the CMBS fee, Westfund will pay an additional benefit to reduce or eliminate out-of-pocket expenses where the doctor or specialist participates in our Access Gap Scheme.

Our Access Gap Scheme allows patients with hospital cover to eliminate or reduce out-of-pocket expenses for medical gap payments for inpatient hospital treatments. Westfund does not pay an amount charged by your doctor above the CMBS fees unless your doctor agrees to participate in the Access Gap Scheme. If a doctor does not use the Access Gap Scheme, patients will be responsible for any additional charges. Doctors are independent of Westfund and each doctor can choose on a case by case basis whether to participate in the Access Gap Scheme.

Please visit our website www.westfund.com.au/health-services/find-a-doctor or give us a call on **1300 937 838** for further information on Access Gap Scheme. We encourage Members to contact us before their scheduled appointment to any referred medical specialist. No benefits are paid for non-therapeutic cosmetic surgery.
